Case No. CJ-2024-5929

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

*THIS IS A COURT-AUTHORIZED NOTICE. IT IS NOT A NOTICE OF A LAWSUIT AGAINST YOU
OR A SOLICITATION FROM A LAWYER.*

If you are a resident of the United States and were sent a Notice Letter from Tyler Technologies, Inc. (“Tyler,” or “Defendant”) notifying you that your Personally Identifiable Information or “PII” was compromised in a data breach incident on March 23, 2024 (the “Incident”), or are someone for whom Tyler has alternate contact information, you are eligible to participate in a proposed class action lawsuit settlement (“Settlement Class”).

A proposed Settlement has been reached in a class action lawsuit against Tyler. The lawsuit asserted claims against Tyler arising out of or related to a Data Breach that Tyler advised you of in May or June of 2024.

If you are a member of the Settlement Class, your legal rights and options are described in this Notice.

PLEASE READ THIS NOTICE CAREFULLY

Further Information about this Notice and the Lawsuit

1. Why did I receive a Notice in the mail?

The postcard Notice you received in the mail was sent to inform you of the proposed Settlement because Defendant’s records indicate you may be a member of the Settlement Class and eligible to receive benefits. The lawsuit is *Casey v. Tyler Technologies, Inc.*, Case No. CJ-2024-5929, in the District Court of Oklahoma County, State of Oklahoma (“Lawsuit”). The Court overseeing the Lawsuit authorized this Notice to advise Settlement Class Members about the proposed Settlement that will affect their legal rights. The Notice explains certain legal rights and options you have in connection with that Settlement.

2. Why is the Lawsuit a class action?

In a class action, one or more representative plaintiffs bring a lawsuit on behalf of all others who are alleged to have similar claims. Together, these people are the “Class” and each person individually is a “Class Member.” In this case, the Plaintiff or “Class Representative” is Wanda D. Casey. The company being sued, in this case Tyler, is known as the Defendant.

3. Why is there a Settlement?

The Plaintiff in the Lawsuit, through her attorneys (known as “Class Counsel”), investigated the facts and laws relating to the issues in the Lawsuit. The Plaintiff and Class Counsel believe that the Settlement is fair, reasonable, and adequate and will provide substantial benefits to Class Members.

The Court has not decided whether the Plaintiff's claims or Tyler's defenses have any merit, and it will not do so if the proposed Settlement is approved. By agreeing to settle, both sides avoid the cost and risk of a trial, and people who submit valid and timely claims will receive benefits from the Settlement. The Settlement does not mean that Tyler did anything wrong, or that the Plaintiff and the Settlement Class would or would not win the case if it were to go to trial.

Terms of the Proposed Settlement

4. Who is in the Settlement Class?

The Settlement Class includes all natural persons residing in the United States who were sent a Notice Letter notifying them that their PII was compromised in the Incident, or for whom Tyler has alternative contact information.

The Settlement Class specifically excludes: (i) Tyler, the Related Parties, and their officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; (iii) any judges assigned to this case and their staff and family; and (iv) any other Person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity occurrence of the Incident or who pleads *nolo contendere* to any such charge.

5. What are the Settlement benefits?

Class Members may complete and submit a Claim Form for the following benefit options:

- A. Credit Monitoring and Identify Theft Protection** for 36 months with a one-bureau. Settlement Class Members who opted into the complimentary credit monitoring services offered by Tyler in its Notice Letter are still eligible to receive this benefit. The monitoring and protection services will include a minimum of the following features: (1) identity theft insurance (with a \$1,000,000 policy limit); (2) real-time credit monitoring services; and (3) access to fraud resolution agents.
- B. Reimbursement for Fraudulent Charges Incurred** for proven monetary losses arising from financial fraud or identity theft up to \$3,500, if: (1) the loss is actual, documented, and unreimbursed by monetary loss; (2) fairly traceable to the Incident; (3) the loss occurred between March 23, 2024 and May 29, 2025, (4) the loss is not already covered as attested time, and (5) reasonable efforts were made to avoid or seek reimbursement for the loss.
- C. Reimbursement for Lost Time** of up to four (4) hours at \$25 per hour with an attestation that the time spent was reasonably related to mitigating the effects of the Incident. If the Settlement Class Member spent more than 30 minutes of an hour (*e.g.*, 1 Hour and 30 minutes, or 3 Hours and 45 minutes), the Settlement Class Members' lost time will be rounded up to the nearest full hour for compensation purposes. Alternatively, Settlement Class Members can elect a one-time **Alternative Cash Payment** of up to \$75 in lieu of making a claim for Reimbursement for Lost Time.

The Claims Administrator shall have the sole discretion and authority to determine whether the prerequisites for these benefit options have been met but may consult with Class Counsel and Tyler’s Counsel in making individual determinations. If necessary, the Claims Administrator may contact Settlement Class Members to seek clarification regarding submitted claims.

6. What am I giving up under the Settlement?

Settlement Class Members who do not request exclusion from the Settlement will be bound by the Settlement Agreement and any final judgment entered by the Court and will give up their right to sue the Related Parties for the Released Claims being resolved by the Settlement.

The claims that are being released and the persons and entities being released from those claims are described in the Settlement Agreement. To view the Settlement Agreement, please visit www.TylerDataSettlement.com.

Your Options as a Settlement Class Member

7. If I am a Settlement Class Member, what options do I have?

If you are a Settlement Class Member, you do not have to do anything to remain in the Settlement. If you wish to be eligible for Settlement Benefits, however, you **must** complete and submit a Claim Form by **May 29, 2025**. You may download or submit a Claim Form online at www.TylerDataSettlement.com.

If you do not want to give up your right to sue the Related Parties related to the Incident or the issues raised in this case, you must exclude yourself (or “Opt-Out”) from the Settlement Class. See Question 11 below for instructions on how to exclude yourself. If you opt-out of the Settlement Class, you will no longer be eligible to receive Settlement Benefits.

If you object to the Settlement, you must remain a Settlement Class Member (*i.e.*, you may not also exclude yourself from the Settlement Class by opting out) and file a written objection with the Court. (See Question 14 below.) If you object, you must still submit a claim to be eligible for Settlement Benefits.

8. What happens if I do nothing?

If you do nothing, you will get no benefit from this Settlement. Unless you exclude yourself, you will be bound by the judgment and you will never be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Related Parties related to the claims released by the Settlement after the Settlement receives final approval and the judgement becomes final.

9. How do I submit a claim?

You may complete the Claim Form online at www.TylerDataSettlement.com. You may also download and print a paper Claim Form from www.TylerDataSettlement.com or call the Claims Administrator at 1-800-983-2170 to have one mailed to you.

10. Who decides my Settlement claim and how do they do it?

The Claims Administrator shall have the sole discretion and authority to determine whether each Claim Form is complete and the prerequisites for benefits elected have been met but may consult with Class Counsel and Defendant's Counsel in making individual determinations as necessary.

The Claims Administrator may contact you for additional information or to seek clarification on your claim. Failure to respond timely and provide the required information will result in an invalid claim and it will not be paid.

11. How do I exclude myself from the Settlement?

No. If you submit a timely and complete exclusion request, you will not be entitled to any Settlement Benefits. You will also not be bound by the terms of the Settlement Agreement.

13. If I do not exclude myself, can I sue the Related Parties for the Incident later?

No. Unless you exclude yourself, you give up any right to sue the Related Parties for the claims that this Settlement resolves. You must timely exclude yourself from the Settlement Class if you wish to start or continue your own lawsuit or to be part of a different lawsuit relating to the claims in this case. If you exclude yourself, do not submit a Claim Form requesting benefits from this Settlement.

14. How do I object to the Settlement?

If you do not request exclusion from the Settlement Class, you have the right to object to the Settlement or any part of it. The Court will consider your views when determining whether to award final Settlement approval. You cannot ask the Court to order a different Settlement. If the Court denies final approval, no Settlement Benefits will be issued, and the Lawsuit will continue.

Court Approval of the Settlement

15. How, when and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **August 21, 2025**, at **10:30 a.m.** at the District Court of Oklahoma County, Courtroom 304, 321 Park Ave., Oklahoma City, OK 73102 to decide whether to approve the Settlement. At the Final Approval Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely objections, the Court will consider them and will listen to people who properly requested to speak at the hearing. The Court may also consider Plaintiff's request for attorneys' fees and costs, and the Class Representative Service Award Payment. After the hearing, the Court will decide whether to approve the Settlement.

It is possible the Court could reschedule the hearing to a different date or time without notice. Please check the Settlement website at www.TylerDataSettlement.com if you plan to attend.

16. Do I have to attend the hearing?

No. You do not need to attend the hearing. Class Counsel will represent the interests of the Settlement Class. If you object to the Settlement and wish to appear in person you are welcome to do so if your written objection was properly submitted pursuant to the instructions in Question 14. It is not necessary to appear in person to make an objection. You or your own lawyer are welcome to attend the hearing at your expense but are not required to do so.

17. What happens if the Court approves the Settlement?

If the Court approves the Settlement, there may still be appeals. If an appeal is taken, it is possible the Settlement could be disapproved on appeal or take time to resolve. We do not know how long this process may take.

18. What happens if the Court does not approve the Settlement?

If the Court does not approve the Settlement, there will be no Settlement benefits available to Settlement Class Members, Class Counsel, or the Class Representative, and the case will proceed as if no Settlement had been attempted.
